November 8, 2007

My very warmest greetings to all!

My name is Elizabeth Kallman and I am the 2007-2008 President-Board of Directors for the New Mexico Network for Women in Science and Engineering. Please join me in welcoming the other officers for the board (the listing follows this message). I am really looking forward to working with you all this year.

It was wonderful to see the other Board members present at our first meeting with the new slate on Sunday morning, October 28th at the charming Eklund Hotel in Clayton. I have heard from many of you that the Annual Meeting in the days before was also quite enjoyable. We had many truly outstanding nominations for the 2007 IMPACT! award, which is designed to recognize a New Mexico woman for her extraordinary efforts in furthering the goals of the network. I wish to extend my heartiest congratulations to Chris Morgan, the IMPACT! 2007 award winner! I strongly encourage you to start thinking ahead for next year, for whom you would like to nominate. Please help to spread the word about this award!

Please note: All NMNWSE members are welcome to attend board meetings; please see <http://nmnwse.org/BoardMeetings/> for upcoming dates and locations. You are welcome to join us!

If anyone has any questions, concerns, suggestions or ideas for the Network, I want to emphasize that for me, the “door is always open” (if I am at home!). My personal email is elizabeth8890 at hotmail dot com, and my home phone number is (505) 856-2752 (Albuquerque). Again, I am looking forward very much to working with you all to help promote and to serve the mission of the New Mexico Network for Women in Science and Engineering.

Sincerely,

Elizabeth M. Kallman
2008 NMNWSE President
